UoH/ANRF PAIR/2026/AB/Project
Associate-1
05/01/2026

The School of Chemistry, UoH is inviting applications from eligible candidates for the post of project associate, *for five years*, in the ANRF-PAIR funded project entitled “**Towards development of localized surface plasmon resonance optical biosensors**”. The broad area of research topic would be in the field of steady state and time-resolved absorption and emission spectroscopy. The spectroscopy labs have already been built at the School of Chemistry.

Designation	Qualification & Specialization
Junior Research Fellow (1 post)	Essential: a) <i>M. Sc. in Chemistry with minimum 60 % marks.</i> Desirable: a) Previous work experience in Physical chemistry, Spectroscopy
Stipend/Remuneration (per month):	
project associate	Rs. 30,000/ total per month (duration five years)

Tenure of the post: Position is for a period of a total of five years; however, it is subject to the good performance of the candidate.

Interested and Qualified candidates with good academic records are requested to send their application along with a detailed Curriculum Vitae by email to **Dr. Anupam Bera** (Email: anupambera@uohyd.ac.in) with the subject line **Application for the post of project associate ANRF-PAIR** on or before **31st January 2026**.

The short-listed candidates will be invited to attend an interview at a later date. The interview date will be intimated via e-mail through an online mode.

Dr. Anupam Bera,
Assistant Professor,
School of Chemistry, UoH
