UNIVERSITY OF HYDERABAD
SCHOOL OF LIFE SCIENCES

Walk-in interview
26 March 2020 at 10:00 AM

Eligible candidates are invited for a walk-in interview for the post of Junior Research Fellow (sponsored by DST project) in the laboratory of Prof. Jagan Pongubala, Department of Animal Biology, School of Life Sciences, University of Hyderabad. Pongubala's lab is investigating the molecular pathways that control the development of innate and adaptive immune cell types utilizing a combination of genetic, molecular and computational approaches.

1. QUALIFICATIONS: MSc in Life Sciences/Biochemistry/Biotechnology and allied subjects

2. COSOLIDATED PAY PER MONTH: Rs. 31,000 plus HRA as applicable

3. **DURATION**: Initial appointment is for six months and subjected to renewal

Candidate for the above position should have a Masters degree (/MSc/MTech/IMSc) with an aggregate marks greater than 70% or a 7.5 CGPA. Experience in generation of high-throughput genomic libraries with practice in molecular biology as well as mammalian cell culture is desirable. Interested candidates having excellent organizational skills and the ability to work in a team environment with an aspiration to learn new techniques and explore new scientific areas are requested to appear for a **walk-in interview on 26 March 2020**. No TA/ DA will be paid for attending the interview or at the time of joining the post. Applicants should note that the appointment is purely temporary and subjected to renewal up to three years and there is no Right to Claim for any regular appointment with the University.
