Advertisement for the post of Junior Research Fellow (JRF)

Dated: March 03, 2020

Applications are invited from qualified individuals for the post of Junior research fellow available in Dr. Parul Mishra's laboratory in a project sponsored by Department of Biotechnology.
The project will combine protein engineering approaches with a variety of genetic and biochemical assays to delineate the functional effect of defined perturbations on protein networks. The project will involve extensive analysis of structural and next generation sequencing datasets.

1	Name of post	Research Fellow
2	Number of positions	1
3	Fellowship	Rs. 25,000 per month
4	HRA, if applicable	30%
5	Tenure of the post	Initial appointment for 1 year, but can extended
6	Essential qualifications	Candidates should have M.Sc. or M.Tech. degree (with minimum 60% marks or equivalent) in Biochemistry/Biotechnology/Bioinformatics/ Computational Biology.
7	Desirable qualifications/ Experience	Prior experience and/or Master's degree in Bioinformatics and/or Computational Biology and having programming skills to analyse structural and NGS datasets is desirable. **Candidates having DBT-BET JRF Category II are encouraged to apply.**

2. The position is purely temporary.

3. Only shortlisted candidates will be informed. No TA/DA will be paid for attending the interview.

4. The application should include cover letter indicating your suitability for the post, academic qualifications, skills in Bioinformatics and/or Wet lab, any research experience, publication, name of at least one referee, and self-attested copies of relevant supporting documents/certificates.

5. Hard copy of the application should be sent to following address: *Dr. Parul Mishra, Room no. F-55, Dept. Of Animal Biology, School of Life Sciences, University of Hyderabad, Gachibowli, Hyderabad-500-046*. There is also an option to send the scanned copies of complete application to: **pmsl@uohyd.ac.in**.

6. Last date for receipt of application is **March 23th, 2020**.
