

**UNIVERSITY OF HYDERABAD**  
**SCHOOL OF LIFE SCIENCES**

**Walk-in interview (19 April 2021 at 11:00 AM)**

Candidates are invited for walk-in interview for a senior research fellow (SRF) position (sponsored by DST) in the laboratory of Prof. Jagan Pongubala, Department of Animal Biology, University of Hyderabad. Pongubala's laboratory is investigating the molecular pathways that control the development of innate and adaptive immune cell types utilizing a combination of genetic, molecular and computational approaches.

PROJECT POSITION	QUALIFICATIONS	CONSOLIDATED PAY PER MONTH	DURATION
SRF	MSc/IMSc/MTech in Life Sciences/ Biotechnology/ Biochemistry/ Bioinformatics	Rs. 35,000+HRA	Appointment is for only one year

Applicants for the above position should have a master's degree (MTech/MSc/IMSc) with an aggregate greater than 70% or a 7.5 CGPA. Candidates with extensive experience in computational biology preferably molecular modeling and simulations are encouraged to apply. Prior knowledge of biophysics and polymer physics and their applications in developing macromolecular structure is a plus. Also, the candidate should have strong background in bioinformatics with a good programming skills in Perl/Python, work experience in Linux environment, and expected to perform high-throughput sequencing data analysis.

No TA/DA will be paid for attending the interview or at the time of joining the post. Applicants should note that the appointment is only for one year and there is no Right to Claim for any regular appointment with the University. Candidates who would not be able to appear for walk-in interview may request for online interview in advance.
