

**Department of Plant Sciences
School of Life Sciences**

Advt. No.: UH/SLS/DPS/MM/2024/03

Date: September 2, 2024

Applications are invited from suitable candidates to fill the following **4** positions on different projects.

1. **Project Associate-I (1 post):** *Monthly emoluments of Rs. 25000/- + 24% HRA as sanctioned in the project*

- Essential qualification** : A master's degree (M.Sc. or M.Tech.) in any branch of Life Sciences from a recognized University or equivalent
- Desired qualifications** : (i) Proven research experience in plant molecular biology
(ii) At least one year of research experience after Master's degree
- Age limit** : As per the University/SERB norms

2. **Project Associate-I (2 posts):** *Monthly emoluments of Rs. 31000/- + 24% HRA as sanctioned in the project*

- Essential qualifications** : (i) A master's degree (M.Sc. or M.Tech.) in any branch of Life Sciences from a recognized University or equivalent (*with minimum 60% marks*)
(ii) Qualified for any National Eligibility Tests as mentioned in the DST OM No. SB/S9/Z-07/2020 dated August 25, 2020
- Desired qualifications** : (i) Proven research experience in molecular plant pathology
(ii) At least one year of research experience after Master's degree
- Age limit** : As per the University/SERB/DBT norms

3. **Junior Research Fellow (1 post):** *Monthly emoluments of Rs. 37000/- + 27% HRA as sanctioned in the project*

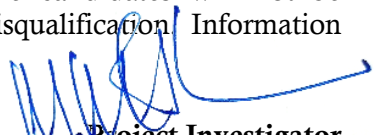

- Essential qualifications** : (i) A master's degree (M.Sc. or M.Tech.) in any branch of Life Sciences from a recognized University or equivalent (*with minimum 60% marks*)
(ii) Qualified for any National Eligibility Tests as mentioned in the DST OM No. SB/S9/Z-07/2020 dated August 25, 2020
- Desired Qualifications** : (i) Proven research experience in molecular plant pathology
(ii) At least one year of research experience after Master's degree
- Age limit** : As per the University/DBT norms

Please note:

- The initial appointments will be for one year or until the tenability of the projects, whichever is earlier. The same can be curtailed/extended based on the candidates' performance.
- The positions are entirely temporary, and the applicants will have no implicit or explicit claim for consideration against any regular position at the university.
- Eligible candidates are encouraged to fill out the online application (<https://tinyurl.com/MMLabRecruit1>) and upload the relevant documents as a single PDF. The deadline to apply is **September 17, 2024 (5.30 pm)**.
- Candidates must ascertain their eligibility before applying. Ineligible candidates will not be interviewed, and no further communication will be sent in case of disqualification. Information about the interview will be sent only to the shortlisted candidates.
