Visiting Associate Professor (2024-25)
Dept Renal Medicine
Brigham & Womens Hospital
Harvard Medical School, MA

Nov 14, 2024

Job Notification

Position: Project Research Scientist-I (Non-Medical)

Tenure: 15 months only. No further extension is possible.

Type: Contractual and temporary

Fellowship: 56,000 INR + 27% HRA (as per funding agency)

Eligibility: First Class Post Graduate Degree or Integrated PG Degree.

Work Place: www.nephlab.com Dept. Biochemistry, SLS, UoH.

Grant Agency: Ref No. 5/4/7-12/Nephro/2022-NCD-II (ICMR).

Title of the project: "HIF-1 α induces mycophagy of glomerular podocytes and implicates in Chronic Kidney Disease".

Desirable Qualification: Since it is time-bound project, prior knowledge about renal physiology or experience in renal biology is desirable, but not mandatory.

Skills Required: The candidate is expected to have knowledge of cell culture and molecular biology techniques, efficient data acquisition and handling ability, and good laboratory practices. Candidate is intended to perform routine laboratory tasks such as protein isolation, SDS-PAGE, Western blot, RNA isolation, and RT PCR.

How to apply? Please send your CV (Education and experience letters) to the email:

uhnephrology@gmail.com on or before 14th December 2024. Shortlisted candidates will be called for an on-line interview.
