

University of Hyderabad
Centre for Nanotechnology (CFN)

**CFN Seminar Series on “Science, Characterization and Applications
of Nanoscale-phenomena (SCAN)”**

SEMINAR NOTICE

(Postponed from 02/02/2022 to 16/02/2022)

- Title of the Talk :** “Nanomaterials of main-group elements:
Complications, solution and property enhancement”.
- Speaker :** Prof. K. Muralidharan
School of Chemistry
University of Hyderabad
Hyderabad 500046, India
- Venue :** Online / Google Meet (Pleas see below for the link)
- Time :** 3 PM
- Date :** Wednesday, 16th February 2022

All are invited (Use the following link to attend the seminar)
