Designed by The Visual Stories Studio

OBJECTIVE OF THE CONFERENCE

To bring together experts, researchers and students to present their work and discuss in the area of Reproductive Sciences, Vertebrate endocrinology, Endocrine and genetic disorders, Fertility control, etc. in animal, human health and welfare.

CALL FOR ABSTRACTS

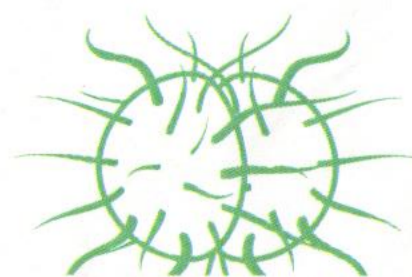

Abstracts for oral and poster presentations are invited in the above mentioned fields. Abstract of the papers (about 250 words) should be prepared in MS word and sent to the convenor by e-mail as file attachment. Name of the presenting author must be in bold. The abstract should have aim, objective, background, results, discussion and conclusion to understand the significance of the work.

Abstracts will be scrutinized by the review panel and the acceptance will be intimated to the presenting author. Subsequent to this circular, all future correspondence, unless and otherwise required, will be through e-mail only. Abstracts of registered participants alone will be printed.

AWARDS

The society also selects six papers for the award of Prof. N.J. Chinoy Best Paper Cash Award with a certificate from amongst the research papers presented in the competitive section (3 oral and 3 posters) by young research students on the basis of novelty and originality and content.

Participating students are requested to kindly mention the category of their presentation (competitive / General) in the registration form. Separate prizes for six best presentations (3 oral and 3 posters) from the general category will be given by the organizers.
